Dear Japanese IR representatives, dear Reiko Yamada, dear Masao Mori, dear Miho Funamori,

EAIR – The European Higher Education Society is going to celebrate its 40th anniversary during the upcoming Forum at Central European University in Budapest, Hungary from 26-29 August 2018.

On behalf of the EAIR Budapest Forum Programme Committee and Attila Pausits, the Chairman of EAIR – The European Higher Education Society, I would like to invite you and your organisation prior to the Forum to join us for a special **World Summit Event of Institutional Research Networks**, to be held on Saturday 25 August 2018 (10am – 6pm), at the Central European University in Budapest, Hungary.

The aim of this Institutional Research Summit is to learn more about the national associations, to exchange good practices in managing and developing these networks, to describe the state of the art of Institutional Research in different countries, to develop a joint statement of the role and future of Institutional Research in and for higher education and to discuss joint initiatives.

Please RSVP your response to the invitation to the EAIR secretariat at eair@eairweb.org soonest.

Hopefully you will be able to join us for this special IR Summit and we can welcome you at the 2018 EAIR Budapest Forum at Central European University also.

Sincerely,

Gerlof Groenewoud
Executive Director, EAIR – The European Higher Education Society
